All answers I have given on this application are accurate and true. If admitted, I agree to observe the rules of the South Dakota Board of Regents and to pay all fees and charges assessed. I acknowledge that federal law permits institutions of higher education to disclose academic, enrollment and financial aid information about me to staff who need to know such information to carry out their administrative tasks. I understand and acknowledge that the institutions that comprise the South Dakota system of higher education are also permitted to share such academic, enrollment and financial aid information when I transfer between institutions, when I enroll in coursework from more than one institution during a term or when I enroll in courses offered by a university other than the one that will grant my degree. I understand that by transferring between institutions, selecting courses from more than one institution during a term in which I received federal financial aid or enrolling in courses offered by a university other than the one that will grant my degree, I will be deemed to have consented to the disclosure of academic and financial aid information about myself.

South Dakota universities offer equal opportunities in employment and for access to and participation in educational, extension and other institutional services to all persons qualified by academic preparation, experience, and ability for the various levels of employment or academic program or other institutional service, without discrimination based on race, color, creed, national origin, ancestry, citizenship, gender, sexual orientation, religion, age, or disability. South Dakota universities are Equal Opportunity/Affirmative Action Employers.

* Section 7(b) of the 1974 Privacy Act (Public Law 93-579) provides: Any federal, state, or local government agency which requests an individual to disclose his social security account number shall inform that individual whether that disclosure is mandatory or voluntary, by what authority such number is solicited and what uses will be made of it.

Disclosure of your social security number is mandatory. The university is required to report enrollment information to the Internal Revenue Service for purposes of documenting taxpayer eligibility for the Hope Scholarship Credit and lifetime learning Credit. The social security number will also be used by the university to comply with federal reporting requirements affecting those students who receive federal financial aid or who take employment with the university. The social security number will not otherwise be used by the university for identification purposes.
